

November 21, 1889.

Prof. Seeno Watson,
Cambridge, Mass.,

Dear Sir, —

Your favor of 20th inst is at hand, inclosing bill of Mr. Daxon for drawings for plates of new mammal. We have sent check for the amount \$20.00 to Mr. Daxon at Jamaica Plain.

We thank you for calling our attention to Mr. Gray's accounts. We received no bill for the books and so it was likely to have been indefinitely neglected but for your reminder. We have remitted check for \$133.³³ being at the rate of \$5.00 less 1/3 per copy.

Yours truly,

Iverson, Blakeman & Co.
H.
